Recertification

To maintain active CCIE status, CCIEs are required to recertify every 24 months. Your CCIE recertification deadline is May 8, 2017 . You are responsible for keeping track of your certification expiration date and your recertification date can be viewed online anytime, with your Cisco CCO login. Refer to the [CCIE Recertification Policies](#) on the CCIE web site for details.

Congratulations once again on achieving your CCIE certification ! You can take great pride in your achievement, less than 3% of all Cisco certified networking professionals achieve CCIE Certification ! CCIE certification is admired the world over as a symbol of networking excellence and commitment to continued professional development.
