

Exam Score Report
Cisco Email Security Field Engineer

Date Tested: 08/20/2015
Candidate: safta riskyadi
Registration ID: 287593103
Testing Site: unproctored
Exam Number: 700-280
Passing Score: 825
Your Score: 846
Grade: Pass

The official score is based on a scale of 300 to 1000 points.

Cisco policy requires that you wait a minimum of 180 days before retaking a passed exam (with an identical exam number).

PLEASE READ: IMPORTANT INFORMATION

- Please login to the Certification Tracking System to ensure that your name and mailing address are correct at <http://www.cisco.com/go/certifications/login>
- Please allow 10 days for Cisco to receive your exam results.
- To receive or stop receiving communications, log into the Certification Tracking System and select your preference in the Opt In/Opt Out section.
- For additional certification and training resources visit <http://www.cisco.com/go/certresources>

The following report shows your performance in each section of the exam:

The Certification Exam Policies webpage (www.cisco.com/go/exampolicy) provides a single resource giving key certification policies, agreements, and the CCIE policy page for information specific to the CCIE program. Consult this section for current information on program policies for Cisco Certifications exams.

As a Cisco certification candidate, you deserve a fair and secure testing experience. Please report any suspicious behavior you observe to security-tipline@external.cisco.com. Examples of such behavior include receiving help or copying from another test taker, taking a test for someone else, accessing stolen test questions, or using notes or unauthorized aids. Thank you for your assistance in helping to detect and prevent these unfair testing practices.
