

## **Examination Score Report Anggie Sihombing**

**Oracle Testing ID:** OC1746551

1Z0-434 Oracle SOA Suite 12c Essentials

**Exam Date:** 12/13/2017 **Registration:** 326850686 **Center ID:** 68482

Your Passing Result: Pass Score: 75% Score: 72%

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- · Create if/then rules with Rules Designer
- Describe cloud-related adapters
- Describe the components and architecture of SOA Suite
- Describe the main features of the Enterprise Scheduler Service (ESS)
- Describe the role and features of Oracle Web Services Manager
- Design a human task
- Explain Complex Event Processing (CEP) and how it is supported by Oracle Event Processing (OEP)
- Explain the role of Service Bus and the benefits it provides
- Implement exception handling, compensating transactions and correlation
- Invoke a human task from a BPEL process
- Use the BPEL Editor to create synchronous and asynchronous processes
- Use the file, database, and JMS adapters

If this is the final exam in your certification path, you are required to complete the following steps.

- Visit certification.oracle.com and select your certification path to ensure you are aware of all certification requirements.
  - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check certview.oracle.com to confirm that all completed components are in your profile.
  - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
  - Contact www.pearsonvue.com/oracle/contact to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
