CERTIFICATION PROGRAM

Examination Score Report
Dedi Silaen
Oracle Testing ID: OC1772937
1Z0-597 SPARC T4-Based Server Installation Essentials

Exam Date:	03/19/2018
Registration:	331696810
Center ID:	72789

Your Score: 61%	**Passing Score:** 60%	**Result:** Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Collect system error and state information
- Configure the control domain
- Describe Oracle Solaris requirements
- Describe memory configuration guidelines
- Describe the Enterprise Installation Service methodology
- Describe the SPARC T4 processor architecture
- Describe the SPARC T4 server architecture
- Describe the cable labeling and routing process
- Describe the target workloads for the SPARC T4 servers
- Determine boot disk layout and mirroring
- Explain the SPARC T4 virtualization options (e.g., Oracle VM Server for SPARC)
- Install Oracle Solaris
- Install and configure guest domains
- Perform host power on and Power On Self Test (POST)
- Run Explorer and register products
- Secure the service processor
- Setup and configure Auto Service Request (ASR)
- Setup and generate self-contained installation documentation
- Update firmware
- Verify patch and firmware levels
- Verify system serial number

If this is the final exam in your certification path, you are required to complete the following steps to ensure delivery of your Certification Success Kit.

- Visit certification.oracle.com and select your certification path to confirm you are aware of all certification requirements.
  - Please note some Certification tracks require Oracle training and the submission of the Course Submission Form.
- Check certview.oracle.com to confirm that all completed components (exams and training as applicable) are in your profile correctly.

- If training is required and is not in your profile, you need to submit the Course Submission Form providing evidence that you have completed the required training.
- If completed exams are not in your profile, you may have completed the exams under different Oracle Testing IDs.
- Contact www.pearsonvue.com/oracle/idmerge to merge multiple IDs under one Oracle Testing ID. You will identify which Oracle Testing ID will be the surviving ID.
- Go to pearsonvue.com/oracle, select My Account, log in and select "Personal Info" to confirm that your address is correct
  - The address that is on file in Pearson VUE profile must be your CURRENT personal or business mailing address; Oracle does not ship to third party training organizations.
