Congratulations on your successful completion of the 156-215.77 exam. This entitles you to the rights and privileges of a Check Point Certified Security Administrator. This result will be posted to your Check Point User Center profile within three weeks. Go to your UserCenter login, go to ASSETS/INFO > My Certifications to confirm the posting. Upon seeing your certification posted, you can click on the icon on the right to download and print your certificate. Please note, this is only effective if your Pearson VUE profile email exactly matches your User Center profile email.
Again, congratulations, and thank you for your interest in Check Point.
